

Dear Resident of Acar Verde,

The key deliveries for blocks C-E at Acar Verde Residences began in January 2024 and are ongoing based on scheduled appointments. If you haven't yet scheduled your key delivery appointment, please click on the "Create Appointment" button in the top right corner of www.acarverde.com to schedule it promptly. By taking this important step, you are initiating the first move towards a comfortable and enjoyable moving process.

For Block D key delivery, you will be able to schedule appointments through the website starting on March 15, 2024.

Great news for residents of C-E blocks! As of February 5, 2024, Acar Verde Residences project is getting ready to welcome you. Various advantages await you to facilitate your moving process and personalize your home.

Moving Appointment System: Starting from February 5, 2024, you can use the specially prepared website to schedule your cargo elevator moving appointment. You can easily plan your appointments and manage your moving process through the 'Moving Appointment' section on www.acarverde.com. When creating your appointment, please use the mobile phone or email address declared in the sales contract. You can access explanatory files detailing the moving rules and rules that the moving company must adhere to.

Discover the World of Decoration: As residents of Acar Verde Residences, we have collaborated with Mudo Concept, Bon Objet, and ACD Store furniture companies. Thanks to this collaboration, explore opportunities in the decoration process of your home with special discounts and designs for the project. For those interested, shopping from these brands will make personalizing your homes much more enjoyable!

Mudo Concept offers unlimited product options with special productions in collections or any products you request. Bon Objet designs and implements functional home furniture with its own designs and productions, based on the motto "Good Living Homes". Its functional approach, which is both different and open to multiple uses, stands out in today's conditions and space usage. It has adopted the principle of making a difference in architectural design with the "Custom Concept" approach in both Interior and Exterior Architectural Design. Bon Objet has added functional furniture collections and imported outdoor garden furniture products from Ego Paris, livintwist, and Horm Casamania to its product range in 2023.
